### **IMPORTANT THINGS TO KNOW FOR YOUR FIRST CLASS**

1. Do not feed your dog at least 6 hours before your training class
2. Allow your dog sufficient time, at home, to relieve himself
3. You are responsible to clean up after your dog, both inside and outside of building
4. We prefer that the same person work with us each week. Family members are encouraged to attend class to observe (for their safety, children must be well behaved and will not be permitted to run around at anytime)
5. A 4-6' leather, nylon or cotton leash will be needed (no chain or retractables)
6. Bring whatever collar you are now using with your dog. We will be covering different types of training equipment (if needed) when you come to class
7. All needed equipment (leads, collars and harnesses) can be purchased at Canine Academy usually at below store cost.
8. Bring valuable treats that your dog will love, preferably small and easy to chew! Jerky treats or pepperonis work great, as do cut up hot dogs and string cheese.
9. At the beginning of the first lesson, proof of age appropriate inoculations must be submitted, particularly Distemper/parvo combo and rabies. If you are joining the Puppy socialization class, your vet must also sign a Puppy Health Form which can be found on our website.  
You may email, fax or send copies of these in with your application, or bring them with you on your first lesson.
10. If you are enrolling in the seven week (group only) beginner's obedience class, on a Tuesday evenings, **DO NOT BRING YOUR DOG** on the first lesson.
